[Insert Club Name]

This Code of Conduct is designed to maintain a focused and consistent environment for our athletes during practices and games.

Spectator Guidelines

We ask that all parents adhere to the following spatial and communication rules:

No Coaching: Coaching players from the sidelines during practices or games is strictly prohibited.

Communication: Do not communicate with players during active sessions, except in the event of an emergency.

Designated Areas: Parents must remain in designated spectator areas and away from the edge of the pool deck and the team bench.

Photography: Parents are welcome to take photos but must return to the spectator seating immediately afterward and continue following all communication rules.

Sportsmanship & Respect

We believe in modeling the behavior we want to see in our athletes.

Mandatory Respect: Respect toward all players, coaches, referees, and opposing teams is required at all times.

Positive Cheering: Only positive and supportive cheering is acceptable during games.

Conflict Resolution: Any coaching questions or concerns should be addressed before or after practice, preferably via email.
